The Riverside Police Officers' Association

Thank you for caring and making Riverside safer, stronger and a better place to live!

The Riverside Police Officers' Association is dedicated to serving and participating in our city. The most effective way to improve where we live and reduce crime is with the combined efforts of law enforcement, our residents and the businesses that live and operate in Riverside.

The Association's goal is to sponsor programs which strive to provide positive contact between the city's at risk children, adults, seniors and law enforcement officers. We can accomplish these goals by giving our time and monies to the area's underprivileged, hospitalized, terminally ill and handicapped, as well as those children and adults who have been the victims of accidents and/or crimes.

Together we need to create and support social programs for our youth, our adults and our senior citizens. It is more important now than ever that the RPOA, businesses and the residents of Riverside be more actively involved.

The Riverside Police Officers' Association pledges to lead by example. Please join our winning team!

Monies raised in the past have allowed us to create and participate in important programs, such as:

- Cops Helping Kids
- Child Abuse Prevention Center
- Rape Crisis Center
- Feed the Kids for the Holidays
- Underprivileged Children
- RAD

At this time we would appreciate your support.
