

Riverside Police Officers' Association

THANK YOU

for making positive change for a better future!

Dear Friend and Neighbor,

On behalf of the [Riverside Police Officers' Association](#), we would like to present to you this plaque and thank you for your support of the programs we sponsor in Riverside. Through the combined efforts of our community we have been able to help thousands of less fortunate kids and adults as well as our officers who have been killed or injured in the line of duty.

Today your contribution will help strengthen relations by and between the [Riverside Police Officers' Association](#) and several local worthy groups. We are working on other ways to bring our community closer together, and your involvement is one way we can help make positive changes for the future.

Your commitment to our cause is critical in reaching out and helping to touch thousands of lives, not just for a span of days or weeks, but for a lifetime. *What you do really does make a difference!*

Have a Safe Year.

Sincerely,

Kevin Davis
